Date for your Calendar

We have had to bring the November production forward a week. This is due to the Hall being required as a Polling Station in our normal week., so we felt we'd take the opportunity to go a week earlier. At least that way we're ahead of The Grand's production of the same show in our normal week!

Calling all knitters.....

If you can knit we would like your help with Calendar Girls. Chris's character, Jessie, needs a knitted blanket to preserve her modesty! Chris is asking anyone willing and able to knit a 12" square, these will then be sewn together to make the blanket. The wish is to auction the blanket off at the end of the show for charity. So grab those needles and get knitting!

Tai Chi Workshop. As part of the preparation for 'Calendar Girls' we have a Tai Chi expert in to hold a couple of workshops. The first is to be held on Thu 23rd Aug at 7.30pm in the Village Hall and is open to any members who would like to attend.

Pattingham Park Fund

The other success of our Shakespeare Festival was the monies raised for this village fund raising cause.

From the programme we were able to donate £352, when added to the £266 collected in their buckets at the show and the festival, a total of **£618** was added to their total.

Congratulations to Angharad and Matthew

We would all like to offer our warmest Congratulations to Angharad and Matthew Allingham on the birth of their baby boy, Malachi.

Best Wishes too go to proud grandparents, Elaine and Iain Coleman.

We wish them all the best at this exciting time, and hope to see Malachi as a future member of Patchwork in the future!

Congratulations Sally!

Well it seems that not only did we all enjoy 'A May Dream', but so did everybody else.

Jean Beard, our NODA rep, watched the performance and wrote a lovely write up. Click [here](#) to view the full report.

Jean said the production was 'an everyman's guide to The Bard's plays, beautifully costumed and such fun.' Jean noted that she hoped many more people would enjoy the production in the future, and hopefully that will be the case as Sally has successfully had her unique script accepted for publication!

We believe a first for PDG and very well deserved—well done Sally!
