## Shadowlands Feedback.

We've had some terrific responses from the show, which we would like to share with you all.

A truly impressive production.  
I am in awe of the talent within your group. My husband and I came over from Shrewsbury mainly to see Charlie, the son of our friends, playing the part of Douglas (he was brilliant) but we were completely bowled over by the whole production.

Amazing and thank you

What a treat from start to finish!

Beautifully acted with believable characters, gentle sensitivity and tenderness, very touching with some comic moments, thoroughly enjoyed!

We thoroughly enjoyed the show. An excellent performance by all and I have forgiven you Henry for making me cry! It was well worth the journey. Good luck for the next 3 performances X

Thoroughly enjoyed! Gosh, we do have talent in Pattingham Drama Group

The performance was brilliant. A testament to the talent and dedication of George and the cast. It has been an inspiration and pleasure to witness the development of the play from first rehearsal to the performance. Congratulations to everyone.

Just back from seeing the Shadowlands production. What a tour de force from everyone involved! Well done.  
Now somebody pass the tissues!

What a great performance of Shadowlands. 10/10

10/10!

Congratulations to all concerned. Henry's performance was particularly outstanding.  
When do we see his King Lear?

I just wanted to say what a brilliant performance it was last night. I could not believe that I was watching an amateur production. Everything about it was so professional. The acting was superb and faultless from my point of view. The actor who played C.S. Lewis was incredible, as was Joy Gresham. It felt as though it was a production with a very light touch. Douglas's movements, just perfect. I could go on and on but won't!!

Everyone was wonderful, the pompous Oxford Dons, the nurse and doctor. The stage set was really good too. I sat on the front row and it looked excellent.

And what I love is that everyone is so warm and friendly. Thanks so much for a great evening. I dread to think how much work was put into it but it was greatly appreciated.

Just to say congratulations on a superb production - you must feel very proud!

Henry and Melanie deserve Oscars their performances were outstanding and the set was brilliant.

Please pass on my congratulations to all the cast and crew.

What a very good production, brilliant set and brilliant acting, well done. I had to leave rather quickly before I started howling aloud xx

Cannot remember when I ever cried at

theatre or had sleepless night. Tempted to come again tonight and tomorrow, but might look like a stalker!

Ingenious set and thought Henry and Melanie together were sublime.

*On the Radio (Radio WM, Sior Coleman, Sunday 6-7 a.m.)*
